

TETBURY WI - WINE TASTING EVENTS 2024

Join Sunni in 2024 for several Wine Tasting Events (WTE), which will each focus on a grape variety or wine region. We will be learning how best to taste (& assess) wine, about the grape variety/ wine region, and of course, we will be drinking wine!

ON FRIDAY 26 JULY THE FOCUS WILL BE ON RED BORDEAUX WINES

Did you know that every second 20 bottles of Bordeaux wine are sold around the world?

Bordeaux is world-famous for its age-worthy, dry red wines, some of which are the most expensive wines in the world. It is the largest wine-growing region in France with thousands of vineyards producing a rainbow of wines, and grapes have been grown here for almost 2,000 years. The expansive region is divided into the Left Bank and the Right Bank and 89% of all wine made in Bordeaux is red.

Learn more about why these wines are so popular. What grapes make a Bordeaux? We will be tasting some wines from both the Left & Right Bank and, in addition, we will also to be trying a non-French Bordeaux wine.

Interested? contact Sunni by email at wine@tetbury-wi.org.uk

Practical details

- Places are limited!
- Deadline for registration is 15 July
- If oversubscribed, there will be a name draw & your place will be confirmed latest by 17 July and payment is expected by 20 July.
- Costs £10, payment details will be provided when your place is confirmed*
- Friday 26 July starting at 19.00
- Address details will be provided when your place is confirmed
- We will be tasting 3 to 4 wines. Please note that no food will be provided.
- Also, as alcohol consumption is involved, please arrange for suitable transport.

*Unfortunately, if you need to cancel after payment has been made, it is not possible to refund you as wine will have been bought in specifically for the event. You can arrange for someone else to take your place and if the event was oversubscribed, Sunni will try to assist with this.

Future WTEs will take place on Friday 4 October and Friday 22 November. Deadline dates and theme (grape/wine region) will be announced closer to the date of each event.
