

## TETBURY WI - WINE TASTING EVENTS 2024

Join Sunni in 2024 for several Wine Tasting Events (WTE), which will each focus on a grape variety or wine region. We will be learning how best to taste (& assess) wine, about the grape variety/ wine region, and of course, we will be drinking wine!

- **Are all bubbles made equal?**
- **Did you know that champagne is sparkling wine, but not all sparkling wine is champagne?**
- **Who is “la Grande Dame of Champagne” and why?**

**Would you like to know the answers to these questions? Come and join me on Friday 15 November when we will be talking & tasting several sparkling wines!**

As the festive season is approaching, this wine tasting event will focus on sparkling wines.

We will discover the different ways of how sparkling wine is being produced, aka “the science behind the bubble”. We will learn about the widow who created the Champagne industry. And also, when a Champagne is actually allowed to be called Champagne.

And we will be tasting 4 different sparkling wines (including a Champagne) from different countries around the world
